Re: ISQua Accreditation Award

Dear Ms Vigouret Lee,

I am pleased to advise that at its meeting on 9th October 2010, the Executive Board of the International Society for Quality in Health Care endorsed the recommendation of the ISQua Accreditation Council for the Accreditation of the Diagnostic Accreditation Program of British Columbia's Laboratory Medicine Standards.

Accreditation of the Laboratory Medicine Standards is from October 2010 through to September 2014.

The International Accreditation Programme requires the completion of three progress reports during this term of Accreditation. The first Action Plan must be completed within three months of the award and is due 9th January 2011. The second is due on the 9th April 2012 and the third on 9th April 2013.

ISQua should also be advised of any substantive changes which may arise for DAP and its accreditation processes during the period of Accreditation.

A Certificate of Accreditation is enclosed with this letter.

ISQua warmly thanks and congratulates all who were involved with this process and offers best wishes for the continuing success of DAP.

Yours sincerely,

Triona Fortune
Director of Programmes

Enc.
